15th PPHSN Coordinating Body meeting

A meeting of the PPHSN Coordinating Body (CB) was also organised in Fiji, on 28 November 2008, to take advantage of the 2nd PAPITaF meeting. Unfortunately, four out of the seven PICT members of the Coordinating Body (French Polynesia, Marshall Islands, Northern Mariana Islands and Tokelau), as well as one of the five allied members (Fiji School of Medicine), could not attend the meeting.

The agenda of the 15th PPHSN-CB meeting focused on the outputs of the 2nd PAPITaF meeting. The group also reviewed and discussed progress made in response to the recommendations from the 14th PPHSN-CB meeting.

The minutes of this meeting are available on the PPHSN website (www.spc.int/phs/PPHSN).
